Notes:

1	This draft Development Plan is prepared on ArcGIS platform under the mandate of GoM, UDD vide GR No. TPS-1818/1489/CR-303/18/UD-13, dated 25/01/2029 and Corringendum dated 17/06/2019, and shall be construed accordingly.
2	The Base Map, Existing Land Use and Draft Development Plan are prepared by superimposition of data collected from secondary survey and physical features are depicted from drone/satellite imagery, hence the discrepancies may occur.
3	In case of discrepancy wrt boundaries and numbers of any cadastral unit (Gut No./Survey No./CTS No./FP No.), the record of land records department/competent authority will prevail.
4	The boundaries of plots, open spaces and amenity spaces of sanctioned layouts shown on the plan shall be confirmed with the competent authority.
5	The structure on the map does not confirm its authorization unless verified and rattified by the planning authority.
6	The boundaries of any government/semi-government property are shown as per the cadastral map and features captured from drone imagery, and hence may be subject to change as per actual acquisition/possesion by the respective department.
7	The blue and red flood lines data of Girna river is procured from the website of Water Resources Department. Hence, the lines are indicative and shall stand modified as and when modified by the Water Resources Department.
8	The classified roads shown on the map is based on the data procured from Public Works Department. Hence, the alignment and status is indicative and shall stand modified as and when modified by the respective department.
9	The proposed land use shown in the draft Development Plan shall prevail irrespective of the property number/boundary shown on map, which shall be subject to confirmation from land records or competent authority.
10	Any earlier permission granted under the provisions of erstwhile sanctioned Development Plan shall not deemed to be converted directly to the user allowed in this Development Plan, unless a fresh permission is granted by the Planning Authority in accordance with the proposed zoning of this Development Plan.
11	The spot zoning shown on the plan is as per existing use captured in drone imagery. However, it shall be verified by the planning authority before sanctioning development permission.
12	In case of any variation proposal to the final Town Planning Schemes I, II or III is sanctioned by government, the proposal of Draft Development Plan shall stand modified to that extent.
13	In case of Town Planning Scheme IV & V are sanctioned by government as preliminary schemes, the boundaries of final plots shall stand modified to that extent.
14	In case any proposal of Final Development Plan (Original Limits) and Final Development Plan (Additional Area) is modified, deleted or lapsed wrt s/s 37, 50, 49 and 127 of MR&TP Act, 1966 or any Court Orders of Hon. High Court, this draft Development Plan shall stand modified to that extent.
15	In case of any discrepancies in the designated sites shown on the map and report, the proposal as shown on map shall prevail.
16	This plan is to be read along with report, UDCPR-2020 and modifications made thereunder from time to time
