- **Forget Password :**
- If you forget password, you can recall on your registered mobile no.
- As a voter your user name is alphanumeric, each user name is unique, it wont get repeated. More than one user name may be verified from same mobile no.

- Officer and Leader registration depends on their mobile no and handset IMEI no, so one officer /leader is related to one mobile no only. They are not supposed to login various devices.
- Click on Voter or Officer/Leader radio button to get the password of that role. And continue further pressing "Submit" button.

True Voter version 4.0.7
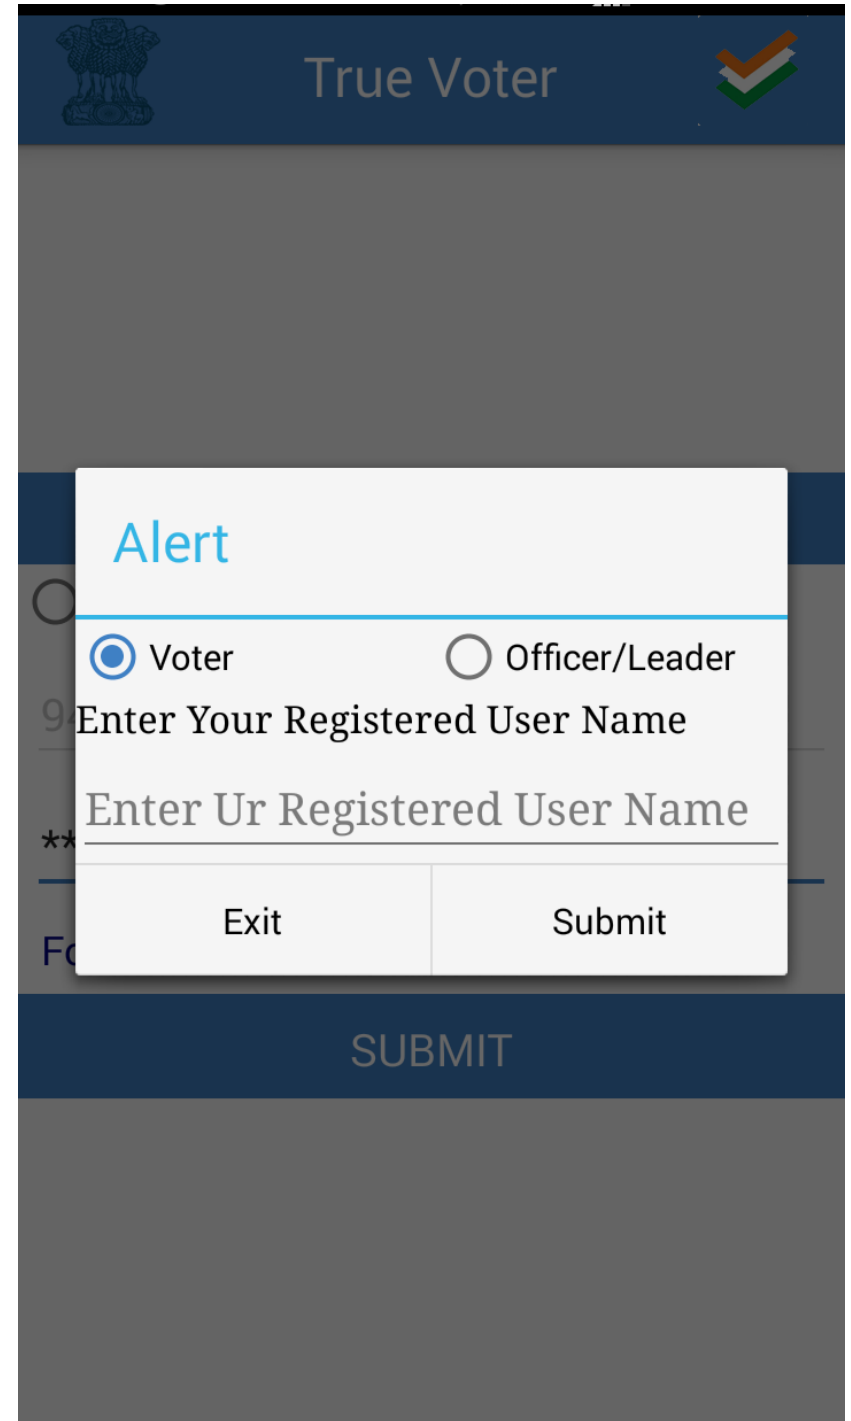

To Receive Password again :

- To receive forgotten password in Officer/Leader role provide your registered 10 digit mobile no and press "Submit" to go ahead.
- In Voter role you will have to provide user name and not a mobile no.

True Voter **version 4.0.7**

- If you have forgotten password of your user name in voter role, use this option.
- You will receive its password on your registered mobile no. it may be different than the handset on which you are using True Voter App.

True Voter version 4.0.7

- If you register freshly True Voter app on your mobile then after registration you come back to main menu.
- Click on Login icon to login.
- If you have registered as a Officer or Candidate/ Representative then automati-cally your mobile no is locked as your user name, you have just to type password to go ahead, press "Submit" to continue. Net connection is must to login.
